

Bitrex®

Taste Trial Certificate

As part of the technical service provided by the Bitrex® Business, the material described below has been tested at independent testing facilities in order for us to recommend the minimum level of Bitrex® to be incorporated into the finished product to help reduce accidental ingestion.

The material tested was:

**GREEN CYCLES NATURAL BT FAMILY
B007 STANDARD**

GREEN CYCLES by PLASTICOS HIDROSOLUBLES S.L. Ref No - N/A

We confirm that based upon the results of those tests, MS4711, we recommend a minimum level as follows:

Certified Inclusion Level: 2200ppm

Signed: Bitrex Business Manager

[Handwritten Signature]

Date:

13 June 2016
